

The Incredible Moringa Leaves

(drumstick leaves)

www.treesforlife.org/moringa

There is an old saying:
“Moringa leaves prevent 300 diseases.”

Now modern science is proving that these tiny leaves are packed with incredible nutrition that can strengthen our bodies and prevent many diseases.

Amazing, but true

Proteins, the building blocks of our bodies, are made of amino acids. Usually, only animal products such as meat, eggs and dairy contain all of the essential amino acids. Amazingly, Moringa leaves also contain them all.

2 times the Protein of Yogurt

Vitamin C strengthens our immune system and fights infectious diseases including colds and flu. Citrus fruits such as oranges and lemons are full of vitamin C. Moringa leaves have even more.

7 times the Vitamin C of Oranges

Potassium is essential for the brain and nerves. Bananas are an excellent source of potassium. Moringa leaves are even better.

3 times the Potassium of Bananas

Vitamin A acts as a shield against diseases of the eyes, skin and heart, diarrhea, and many other ailments. Carrots are very high in vitamin A, but Moringa leaves are even higher.

4 times the Vitamin A of Carrots

Calcium builds strong bones and teeth, and helps prevent osteoporosis. Milk provides a lot of calcium, but Moringa leaves provide even more.

4 times the Calcium of Milk

These figures reflect gram-for-gram comparisons with Moringa leaves.*

It's like growing multi-vitamins at your doorstep.

Moringa leaves compared to common foods*

Nutrients	Common foods	Fresh Leaves	Dried Leaves
Vitamin A	1.8 mg Carrots	6.8 mg	18.9 mg
Calcium	120 mg Milk	440 mg	2003 mg
Potassium	88 mg Bananas	259 mg	1324 mg
Protein	3.1 g Yogurt	6.7 g	27.1 g
Vitamin C	30 mg Oranges	220 mg	17.3 mg

Incredible in any language...

Botanical name: *Moringa oleifera*
 Popularly known as “drumstick tree” in English.
